EDUCATION

Saint Louis University, St. Louis, MO

May 2018

Bachelor of Science in Meteorology, Minor in Communication

METEOROLOGY RELATED EXPERIENCE

KSDK, 5 On Your Side

News Intern

- Assisted reporters with turning daily content for newscasts and KSDK.com, researching exclusive angles for stories
- Wrote multiple web stories for KSDK.com and developed knowledge of AP Style
- Recorded multiple weathercasts for use in demonstration reels and learned how to use the WSI Max weather graphics system

WORK EXPERIENCE

News 19, WHNT-TV, Huntsville, AL

Oct. 2018-Present

Digital Journalist

- Write 3-5 stories daily for WHNT.com, sharing content with four other Nexstar websites in Alabama, and 100+ websites nationwide on occasion
- Continuously monitor scanners, answer phones, dispatch crews to breaking news, update day planner with upcoming events and possible stories
- Serve as the on-air face of the News 19 web team, presenting multiple stories on changes to WHNT.com, the station's mobile app, or how-to guides on using them

Wood River Public Library, Wood River, IL

Aug. 2018-Oct. 2018

Circulation Clerk

- Assisted patrons with checking items out, locating materials or information, as well as basic IT questions, with a focus on ensuring patrons were happy
- Cleaned library, re-shelved books, and sorted requested items for shipment to partner libraries across Illinois

Saint Louis University, St. Louis, MO

Oct. 2014-Apr. 2017

ITS Student Worker

- Served as Tier 1 technical support and the first point of contact when University staff, faculty, and students needed assistance from the IT department
- Installed updates to University computers and tablets as advised and performed regular maintenance as required to keep systems secure, stable, and responsive

SKILLS

Software: Adobe Premiere Pro CC, AP ENPS, Final Cut Pro X, WSI Max, WordPress

Certifications: FAA Part 107 Drone License
